EDUCATION

Rice University, Houston, Texas, USA

- Ph.D. in Computer Science Aug 2016
 - Research Focus: data-driven deep learning techniques for program synthesis
 - Advisor: Prof. Swarat Chaudhuri

University of Miami, Coral Gables, Florida, USA

- B.S. in Computer Science Aug 2012 – May 2016
 - 2nd Major: Geography; Minor: Mathematics
 - Geographic Information Systems (GIS) Undergraduate Certificate
 - Graduated Magna Cum Laude with General and Departmental Honors
 - Cumulative GPA: 3.8/4.0

RESEARCH EXPERIENCE

Rice University, McNair Center for Entrepreneurship & Innovation

- Graduate Student Assistant May 2017 – Jan 2018
 - Project: Verified and Reproducible US Patent Data
 - Supervisor: Dr. Edward Egan

Florida International University, Electrical & Computer Engineering Department

- REU Student, Mobile, Pervasive, and Autonomous Technologies Lab Oct 2015 – May 2016
 - Project: Localization via Signal Strength & Probe Requests on Android Devices
 - Supervisor: Prof. Ismail Guvenc

University of Illinois, Urbana-Champaign, Department of Computer Science

- REU Student, Scientific Computing Group, Parallel Computing Institute Jun 2015 – Aug 2015
 - Project: Optimization Opportunities for nek5000 on the Blue Waters Supercomputer
 - Supervisor: Prof. Paul F. Fischer

National Aeronautics and Space Administration, Jet Propulsion Laboratory

- Summer Intern, Physical Oceanography Distributed Active Archive Center Jun 2014 – Aug 2014
 - Project: Automating Metadata Compliance Checking
 - Supervisors: Edward M. Armstrong and George Chang

PROFESSIONAL EXPERIENCE

REConsole, Inc., Fort Lauderdale, Florida

- Software Engineering Intern Jan 2016 – May 2016
 - Automated a day's worth of manual engineering work by automating the data extract, transform, load (ETL) pipeline into a reproducible process built with Kubernetes, Apache Spark, Elasticsearch, and PostGIS
 - Worked with Lead UX Designer to systematically reduce geographical parsing errors or to find alternative methods of representing real estate transaction data

Senzari, Inc., Miami, Florida

- Software Engineering Intern Mar 2013 – Apr 2014
 - Led visualization team for a Django business intelligence dashboard written with Google Charts & CoffeeScript used by customers like Telefonica
 - Built one of the first Firefox OS Apps in HTML5/jQuery Mobile to explore, listen, and visualize music network graph queries

AWARDS & SCHOLARSHIPS

- CAV Student Fellowship Jul 2017
Covered attendance costs to the 29th International Conference for Computer Aided Verification in Heidelberg, Germany
- Outstanding Computer Science Undergraduate, University of Miami May 2016
Awarded by the faculty of the computer science department to a single graduating student.
- National Merit Scholarship Aug 2012 – May 2016
Supported by the National Merit Scholarship Program for four years

OUTREACH & MENTORSHIP

Houston Action Research Team (HART), Rice University

- Graduate Project Supervisor Aug 2017 – Dec 2017
 - Supervised and led research focus for a group of four undergraduate students
 - Interfaced with local sponsors like the Memorial Park Conservancy to satisfy research goals

Graduate Student Association (GSA), Rice University

- Social Programming Director Apr 2017 – Apr 2018
 - Planned and executed large picnics for the Rice graduate student community by interacting with food and entertainment vendors and university administration
 - Co-designed 2017 Orientation events to introduce 607 new graduate students to a new campus and city
- Graduate-Undergraduate Mentor
 - Engaged upper-level undergraduate mentees with alternatives to careers in industry like work-study and masters programs

Designing with Rice Engineers—Achievement through Mentorship (DREAM), Rice University

- Highschool Mentor Jan 2017 – Apr 2017
 - Led seven junior-level students in the application of the physics principles necessary to construct a simple catapult
 - Taught a self-prepared lecture about scholarships, grants, federal & state funding using personal examples to demystify college affordability

Association for Computing Machinery, University of Miami

- Vice President Aug 2015 – May 2016
 - Participated in 2016 ACM Southeast International Collegiate Programming Competition (ICPC)
 - Sought to engage CS department faculty with their professional organization

Camner Academic Resource Center, University of Miami

- Peer Tutor Jan 2014 – May 2016
 - Oversaw study groups of 1-6 students for introductory and intermediate level courses in computing
 - Certified International Tutor by the College Reading & Learning Association
 - Nominated for Sheila Dube Outstanding Tutor Award
